Location

Galleria Castello si trova a due passi dal Castello Sforzesco e dalla fermata di Lanza all'interno di un bellissimo palazzo di fine '800.

Lo spazio di 100 mq si sviluppa ad "L", con annesso un dehors di circa 30 mq, ideale per piccoli rinfreschi ad accompagnamento degli eventi nello spazio interno.

Galleria Castello si presenta in stile minimale, con pareti bianche, pavimento in parquet scuro e soffitti di oltre quattro metri ed è facilmente customizzabile per presentazioni sedute fino a 40 ospiti o in piedi fino a 80 ospiti.

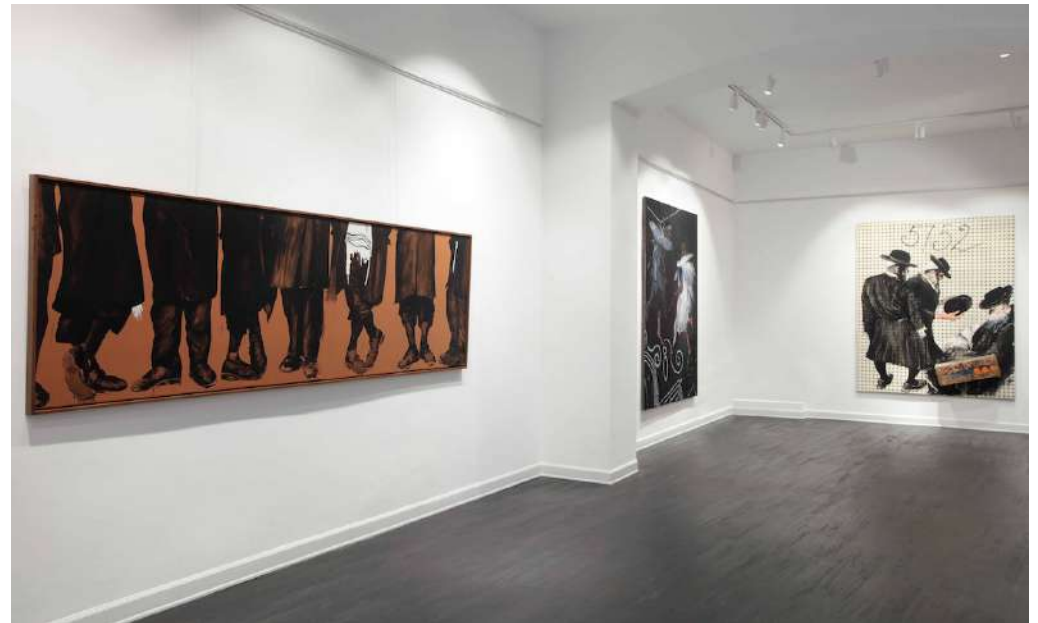

Galleria Castello is located in a beautifully decorated building dating from the late XIX century, just a stone's throw away from Castello Sforzesco and from Lanza underground station.

The space spreads over 100 sqm in a L-shape and has attached a 30 sqm outdoor area, ideal for receptions backing the main event in the indoor area. Galleria Castello's minimalistic style is defined by white walls, dark wooden floor and ceilings measuring over four meters in height. It is highly customisable for seated presentations of up to 40 guests or standing events for up to 80 guests.
